Mr Hopkins and Miss Nightingale will begin the process in which you choose your subjects for Year 10 and 11 on **Monday 13th February lesson 4** with a presentation in LS Hall. **You should go to your lesson first to be registered.**

Higher Education /Careers Roadshow
On **Wednesday 15th February lesson 1** you will have a talk, in LS Hall, by someone from Cardiff Met who will talk to you about courses and careers and the qualifications you will need. You will go to the hall with your form tutor.

"New" subject presentations in assembly time.
To help you make your decisions your class teachers will speak to you about the courses available in their subjects. However, there are some subjects which will be 'new' to you in Year 10 and those Subject Leaders will speak to those of you who are interested during registration as follows;

Tuesday 14th February	Business	Library
Wednesday 15th February	Engineering	Library
Friday 17th February	Drama	Library
Tuesday 28th February	Electronics	Library
Thursday 2nd March	Sociology	Hall
Friday 3rd March	Health and Social Care	Library
Monday 6th March	Child Development	Library

Careers Service advice "drop ins"
A Careers Advisor will be available, in the room next to Mrs Grabham's office, to give advice at lunchtime on 15th and 16th February and 2nd and 9th March. You will also have careers talks during PSE lessons.

Parents' Evenings
There will be a "What's it all about?" presentation to parents/carers on **Tuesday 7th March** followed by presentations by Subject Leaders of subjects "new" at Key Stage 4. A Careers Advisor will also be present to answer any queries. Additional information is available at *www.careerswales.com*

On **Wednesday 15th March** there will be the traditional Parents` Consultation Evening on the Lower School site between **3.45 and 6.45 pm**. A Careers Advisor will also be present.

Your completed 'Option Choices' form must be returned to your Form Tutor by Tuesday March 28th 2017.
