

# Brynteg School Governing Body Annual Report to Parents 2016 Summary Report

## Top Marks For Brynteg School

### The Welsh Government School Category Information

It gives me great pleasure to present you with the summary of the Governing Body's annual report to parents. It is pleasing to report that it has been another very successful year for the school in terms of academic standards in addition to cultural, musical and sporting achievements. Worthy of particular mention is the school's current status within Welsh Government's School Categorisation. The school has been categorised as a Green 1A school, which places the school among the top performing school's in Wales in terms of academic standards at KS4, Leadership and Management and the school's capacity to improve.

Mrs L. Lewis  
(Chair of the Governing Body)

Governors are not required to distribute the lengthy full report document to every parent. It will be available in PDF format on our website from July. Any parent who wishes to receive a paper copy should send a message to Mrs A Casling in the Upper School Office, giving the name and form group of their child who will be given a copy to take home.

Previously, until April 2013, the Welsh Government required the Governing Body of a school to hold a meeting for parents every two years or annually if parents requested it.

However, new guidance has been issued by the Welsh Government, (section 94 of the School Standard and Organisation (Wales) Act 2013), in relation to meetings between the Governing Body and parents. The new arrangements and associated guidance (Guidance document no: 104/2013) came into force with effect from 4<sup>th</sup> May 2013. These arrangements have been adopted by the school since September 2013. In essence, the regulations no longer require a school to hold the annual meeting with parents unless such a meeting is requested by the parents of pupils attending the school. To date we have not received a petition to hold a parents' meeting pursuant to the above act.

Further advice and details about how parents may go about requesting a meeting with a Governing Body is available at the school, via Mrs A Casling, and/or on the Welsh Government website at:

### **Members of the Governing Body**

The Chair of the Governing Body is Mrs L. Lewis. The Vice Chair of the Governing Body is Cllr C. Jones. The Clerk to the Governors is Mrs. A. Casling. Both the Chair and Vice Chair can be contacted via the school – please write to or email Mrs. Casling at the school.

There are 20 Governors. Each one serves for a term of four years. Six are elected by the parents of pupils in the school. Five Governors are nominated by the LEA and five others are co-opted by the other Governors to represent the community or to bring specific skills and experience to the body. There are two Teacher Governors and one Associate Staff Governor. The Headteacher can choose to be a Governor.

Parents are elected to the Governing Body as an outcome of a ballot. All parents with pupils at the school are informed of vacancies as they arise, and are given details of the election protocols and processes.

The current Governors are shown below with the dates when their four year term ends.

### National Curriculum Results 2014-15 (261 pupils in Year 9)

The table shows the percentage of Year 9 pupils achieving Level 5 or better in each of the three core subjects. The Core Indicator is the proportion of the year group reaching at least Level 5 in all three subjects. The levels awarded are based on teacher assessments.

### **GCSE (287 pupils in Year 11)**

The table shows the main indicators used by the Welsh Assembly to compare school performance. The Core Indicator is the proportion of the year group gaining at least grade C in all three core subjects, (English, mathematics and science). The wider points score is a new indicator which includes vocational subjects as well as GCSE.

	Brynteg	Bridgend LEA	Wales
5 A*-C grades	91.6	83.2	83.4
5 A*-C grades inc Eng and Maths	69.0%	59.4	57.6

A*-C in Maths	76.0%	65.4	64.2
A*- C in Science	90.0%	89.4	83.3

### **A level (167 students taking 2 or more A levels)**

	Brynteg	Bridgend LEA	Wales
Level 3 threshold	98.9%	97.5%	96.9%
Wider points score	678.9	766.8	787.2

The school's results for the wider point score and Level 3 Threshold are lower than the Wales and Local Authority average because all pupils at the school are encouraged all to sit the final examination if they are capable of achieving a grade, this is not the case in all schools.

### **School Targets**

Below is a summary of the school's targets for the forthcoming three years.

In December each year Bridgend LA and the Central South Consortium, (CSC), asks each school to set targets for a three year period. These are used to inform the overall LEA targets which are submitted to the Welsh Assembly. It is our policy to set ambitious targets which we may not meet rather than easily achieved targets.

KS3	Target 2014-15	Outcome	2015-16	2016-17	2017-18
English level 5	87.3%	94.3% Exceeded by 7.0%	86.5%	92.0%	96.3%
Maths level 5	87.3%	94.6% Exceeded by 7.3%	89.4%	90.6%	96.3%
Science level 5	87.3%	98.1% Exceeded by 10.8%	89.4%	96.7%	98.1%
Core indicator	80%	90.4% Exceeded by 10.4%	81.6%	90.6%	96%

The school's targets at KS3 for 2015-16 appear ambitious however, we are confident that whilst they are challenging they are achievable. Targets are reviewed each year and adjusted accordingly. Improving the percentage of pupils achieving Level 5 or better remains as one of the school's priorities.

KS4	Target 2014-15	Outcome	2015-16	2016-17	2017-18
5 A*-C grades	85%	91.6% Exceeded by 6.6%	85.1%	88.0%	96.6%
5 A*-C grades inc English and Maths	65%	69.0% Exceeded by 4.0%	64.9%	72.6%	77.8%
5 A*-G grades	98.1%	96.9% Missed by 1.2%	98%	98.1%	100%
Core indicator	62.1%	67.0% Exceeded by 4.9%	62.2%	71.4%	75.4%

GCSE performance for 2014-15 was very good. The school achieved the best results in its history to date. Naturally, as a school community, we were very pleased to have improved upon the previous year's results. 91.6% of pupils achieved 5 or more grades A\*-C, (level 2 threshold), which is the schools best ever performance at this indicator. Likewise, 69% of the cohort achieved 5 or more GCSEs at A\*-C including English and Mathematics, (level 2 plus threshold), which is also the schools best ever performance in relation to this indicator. The school target was exceeded and ensured that the school's trend of improvement continues. In terms of the Core Subject Indicator, (CSI), 5 or more GCSEs A\*-C including Mathematics, English and Science, the school was also placed in the top 50% of similar schools, 67% of the cohort achieved this indicator. Staff and pupils, supported by parents, have continued to worked incredibly hard during 2014-15 to improve upon last year's performance. Pupils have, once again, benefited from additional after school classes, 'boot camps' during registration and breakfast clubs prior to examinations, in addition to Easter and half term revision classes. It is encouraging to note that for each of the key indicators the school performs above the Local authority and Wales average.
