Dear parent/carer

As you are aware, at the end of year 9, pupils are able to choose 3 courses which they would like to follow in years 10 and 11. This process has already started with pupils receiving input from our careers advisor and now we are preparing for the next stage which starts after the half term break. The key dates are as follows:

Monday 4th March

Course booklet available online (see below)

Thursday 14th March

Parent/Carer Evening* (which will take the usual subject-based format but also with the opportunity to meet teachers of subjects which will have not been studied previously)

Friday 15th March

Online application form available (see below)

Friday 29th March 8.30am

All applications need to be submitted by this date/time

* Appointments will be made with subject teachers in the usual way. Teachers of 'new' subjects will also be available on the evening (no appointment required).

All of our options information is available online (including the application form) and can be found in the following locations:
